5TH ANNUAL NORTH INDY FARM CRAWL

Sept 13th Starting at 9am

(most farms open until 3, some later)

Conveniently located on the north side of Indianapolis
(primarily Zionsville/Sheridan region).

You can purchase lunch at 1581 N 1100 starting at 11
until supplies run out.

More details about the farms to visit and prizes to be won on our
facebook page: [Add a subheading!](#)

This is such a fun event, and a great opportunity to meet other homesteaders, see their setups and pet some animals while at it! Even if you aren't a homesteader, just a bystander or a dreamer, this is a great opportunity to go out and meet your local farmers, and see where your food comes. You will enjoyed the experience!
